CPE general SpeedWay trial rules: see the online rulebook at www.k9cpe.com for further info on divisions and complete details.

General CPE rules for entries/show site:

- Dogs must be at least 12 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class.
- No relieving of dogs in the warm-up area.
- Handlers have a choice regarding dogs wearing collars. Dogs may run courses with or without one collar. Collars should preferably be quick release style, and may be flat buckle, rolled leather. No loose attachments of any kind are allowed on the collar.
- Flea and Tick collars are permitted to be left on, but the dog may not wear an additional collar if this is worn. Dogs running with loose attachments (tags etc.) on a collar are to be immediately NT'd and their run ended. If this is noticed prior to the run commencing they must remove the collar in order to run.
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may *not* be used to take a dog into the ring.
- Handlers may carry their leash with them on the course – if done so, the leash must be in a pocket, out of sight of the dog.
- Dogs must be under the handler's control when leaving the ring
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10' feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.
- The handler may use any verbal or visual commands to direct the dog through the course.
