- Barking** The parking lot is adjacent to a residential neighborhood. Excessive barking needs to be controlled on and off the field. It is okay for dogs to bark while running the course, but if your dog is barking too much elsewhere then it becomes a problem. Please keep barking to a minimum. Recruit a BARK BUDDY!
- Leashes** Dogs must be on-leash at all times except in the ring or at the warm up obstacle. Doyle Elementary School is a large field, but it is not an off-leash free zone.
- Clean Up** The Doyle Elementary School requires special attention to cleaning up after our dogs. If you run out of bags, we have extras. If you see anything that has not been picked up then “adopt a poop” or please tell us. We will facilitate a tidy operation.
- Dog Beach** If you are from out of town and would like to enjoy the ocean with Fido, there are off-leash beaches located in Ocean Beach, Del Mar and Coronado. Ask us for directions.
- Feedback** We are interested in both your genuine compliments and in how you think we can improve. We normally have a suggestion box at the awards table. Please offer us your ideas to make a better experience for you and your dog.
- Come Again** We hope you enjoy yourself and achieve your personal competition and training goals. Have a safe drive and enjoy your stay in La Jolla and San Diego, America’s Finest City.

PDT COVID-19 GUIDELINES ON NEXT PAGE

PERFORMANCE DOG TRAINING

AGILITY EVENTS / COVID-19

Amid CV19 circumstances, Performance Dog Training (PDT) will strive to keep you informed about the status of our upcoming events. As we navigate forward, be aware that our events require continued approval from the Host Organization, as well as Federal, State, and City governments and may change at any moment.

In response to hosting events at this time, it will be necessary to make changes to the way we interact during the trial, by incorporating reasonable precautions to be CV19 safe. It is also important to make it easy for exhibitors to choose whether to participate or stay at home without worry of losing entry fees due to cancellations. These are the guidelines I propose, which may further be modified as we progress through changing conditions.

1. THE LAW – We follow the rules of the City of San Diego for field use and group gatherings.
2. CROWD CONTROL – In an effort to limit the number of people at the trial, only those who are running a dog should be at the site. Spectators are discouraged.
3. ENTRY FEES – To limit the number of exhibitors at the trial, entry fees will be based on a daily rate per dog. For example, we offer 3 runs each day at our May trial. The entry fee is \$45.
4. REFUNDS / CREDITS – If you enter a PDT event and need to cancel for any reason then you get a full refund or credit, depending if you cancel before or after the closing date, respectively.
5. STAY HOME – If you are feeling sick or are considered “vulnerable”, please stay home. It is not worth the risk and there is no penalty for cancelling your entry before the trial.
6. PPE / HYGENE / DISTANCING – A mask or other face covering is required. Hand sanitizer is recommended. Gloves are optional. A cleaning station is near the field with soap and water. Use it often! Maintain the necessary social distance of 6 feet, including between canopies.
7. BRING YOUR LUNCH – You will need to bring your own food and water for the day. We will not be doing Hospitality. If you forget to bring water, then we have potable water from a garden hose as well as bottle water for drinking.
8. SCORES / RIBBONS / AWARDS – Scores will be posted, openly separated, to avoid congregating. Once they have been checked and verified, we will hand out ribbons and awards - Please do not return ribbons.
9. DELAYS – There will be delays at the trial. Some are purposeful, so relax. Taking the necessary precautions adds time. Scaling back and limiting entries will ensure we are not at the show site longer than normal.
10. THANK YOU – Your cooperation and adherence to these guidelines is much appreciated and your continued support will ensure more events in the future.
