Dan Roy is a graduate of the San Francisco SPCA Academy for Dog Trainers. He earned his Certificate in Training and Counseling (CTC), with honors, under the tutelage of world renowned trainer, Jean Donaldson – author of [THE CULTURE CLASH](#).

Jean Donaldson said of Dan:

“For me, you epitomize the trainer of the future. You’re smart, mechanically able, spongy, but questioning, and have the teaching chops that – oh! Would we have killed for a generation ago.”

Dan is a Certified Professional Dog Trainer (CPDT-KA) and a member of the Association of Professional Dog Trainers (APDT). Dan promotes a reward-based system of training. His approach to training is dog-friendly, but not over indulgent. “Setting boundaries for our dogs encourages a working relationship with them.” He stays on top of the latest developments in science-based training and client coaching by regularly attending workshops and seminars.

Actively training and competing since 1997, Dan and Australian Shepherds have earned some of the highest titles in Dog Agility. Out thinking an Aussie is no easy task. It requires boundless energy and an unwavering, upbeat attitude – qualities that come naturally to Dan. In fact, his closest friends suspect that he’s so good at his job because deep down, he’s a herder too.

Liz Randall, CPDT-KA, has been training animals most of her life. She began with horses in her childhood and through her teens and early twenties, then transitioned to dogs after a ten year career in the outdoor industry. She has been training behavior modification and sport dogs professionally since 2010. She currently competes with two of her dogs in AKC, USDAA, and UKI agility, as well as works as a behavior consultant out of her facility Dogs Abound in San Marcos. Liz has been a Certified Professional Dog Trainer (CPDT-KA) since 2011, and is a professional member of APDT.

In 2018, she and her dogs competed at the AKC National Championship, USDAA's Cynosport World Games, and the UKI US Open. At the USDAA Southwest Regional she and her mixed breed Phineas won 2nd place in Steeplechase finals, and at the UKI West Coast Cup she and her border collie Beatrix won second place in the Masters Series event, winning them a finals bye at the US Open. Both dogs also competed in the Semifinals rounds at Cynosport.

Liz's understanding of how agility works at the highest levels, combined with knowledge of learning theory and canine behavioral concepts, allows her to help teams at all levels communicate with more clarity and efficiency. She loves working with her human clientele and deepening the bond they have with their dogs.
