SNOOKER 345C

BRIEFING:

- * In the opening: Everything is bi-directional.
- For combo #7, order and direction do not matter; just do each obstacle once
- * You may do a color multiple times, but reds may only be used once
- * In the closing: Everything must be taken as labeled. #2 is NOT bidirectional in the closing.
- * Finish jump becomes live when you have completed your opening, after the horn, when you direct your dog to it or when you hear me say Thank you. Finish jump is bi-directional and there is no fault for knocking the bar.

Points:

- Level 1 26 points
- Level 2 28 points
- Level 3 30 points
- Level 4, 5, C 32 points
- Enthusiast/Specialist – 2 points fewer at each level

Small Dogs 50 sec
Large Dogs 45 sec
