Dan Roy is a graduate of the San Francisco SPCA Academy for Dog Trainers. He earned his Certificate in Training and Counseling (CTC), with honors, under the tutelage of world renowned trainer, Jean Donaldson – author of The Culture Clash

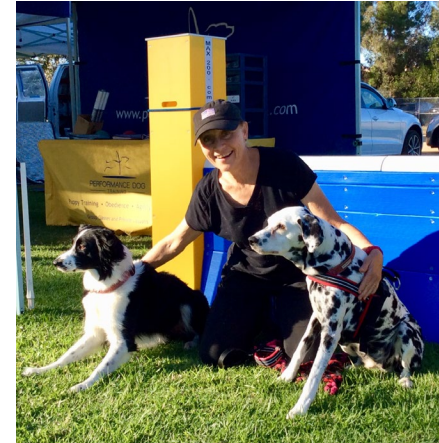

Jean Donaldson said of Dan:
“For me, you epitomize the trainer of the future. You’re smart, mechanically able, spongy, but questioning, and have the teaching chops that – oh! Would we have killed for a generation ago.”

Dan is a Certified Professional Dog Trainer and a member of the Association of Professional Dog Trainers (APDT). Dan promotes a reward-based system of training. His approach to training is dog-friendly, but not over indulgent. “Setting boundaries for our dogs encourages a working relationship with them.” He stays on top of the latest developments in science-based training and client coaching by regularly attending workshops and seminars.

Actively training and competing since 1997, Dan and his Australian Shepherds have earned some of the highest titles in Dog Agility. Out thinking an Aussie is no easy task. It requires boundless energy and an unwavering, upbeat attitude – qualities that come naturally to Dan. In fact, his closest friends suspect that he’s so good at his job because deep down, he’s a herder too.

Gabriella Ravani is an agility instructor. She loves to teach and compete, and currently teaches in Carmel Valley and competes in AKC, CPE and USDAA. Her Dalmatians have made the top ten breed rankings in AKC and Bad Dog Agility lists.

She started her training career in obedience and behavior modification. She earned a CD on her first Dal but found Agility to be the perfect sport for her. She loves the incredible bond you form with your agility partner as well as the fun training, speed and strategy!

Gabriella loves helping handlers improve their obstacle training and handling skills, and feels that learning should be really fun for both dog and human.

Gabriella's beloved dogs currently include a Dalmatian and 2 Border Collies. Her Dalmatians have honed her motivational skills and her Border Collies are teaching her all about speed 😊
