**Setups**      Please arrive at least ½ hour before your class. Bring your dog on leash. When working on-leash, it may be helpful to use a harness. Bring your own Canopy, Crate, Toys, Treats, Water, Bowls and Poop Bags.

**Fun Run**      We will have 2 rings running simultaneously – Standard and Jumpers. Each run is timed for 60 seconds. We follow a run order by jump height. Toys and treats are allowed in the ring. Harsh training will result in an excusal from the event. No aggressive dogs allowed.

**Beginner Ring**      From 3:00 to 5:00, we will also have a Beginner Fun Ring for dogs with little to no experience. This is a supervised ring, mostly on-leash, with equipment conducive to learning agility.

**Volunteers**      Your help is greatly appreciated. Whenever the opportunity arises, please help us set jump bars or with other equipment responsibilities. Thank you!

**Extras**      We need help with Field Setup and Teardown. Setup starts on Friday at 3PM and Teardown on Sunday at 10AM. If you could help with one or both then you may use the field for personal training time. Contact me for details.
